

## Sharing of License Lay Worship Leaders throughout the Synode Montreal & Ottawa Conference's Geography

On November 7, 2014, at its Executive meeting, the Synode Montreal and Ottawa Conference made a decision to allow Licensed Lay Worship Leaders to move throughout the Conference's geography and across Presbytery borders.

“**MOTION** (C. Ruda/D. Lee) that having received responses from each presbytery to the June 16, 2014 questions regarding sharing of Licensed Lay Worship Leaders across the Conference geography, and that whereas Licensed Lay Worship Leaders (LLWL) are trained, accredited and held accountable each to their own presbytery, and whereas there are times when due to geography or language, it would be in the best interest of the ministry site requiring worship to be able to have leadership from a LLWL of another presbytery, the Executive requests that the presbyteries indicate agreement of circulating the names annually of their LLWL for the benefit of all, and of welcoming a LLWL from another presbytery in the Synode Montreal and Ottawa Conference to conduct worship. At all times, the Licensed Lay Worship Leader would remain accountable to their own presbytery, and there would continue to be a regular review/assessment and licensing conducted by the presbytery. **Carried**”

To this effect, On November 6, 2015, at its Executive meeting, the Synode Montreal and Ottawa Conference adopted the Licensed Lay Worship Leader Policy & Guidelines, of which a copy can be obtained through the Conference's website (<http://www.montrealandottawaconference.ca/node/631>) or through contacting the Conference's offices.

“**MOTION** (D. McCormack/ C. Ruda) That the Executive of Synode Montreal & Ottawa Conference approve “Licensed Lay Worship Leader Policy & Guidelines – Synode Montreal & Ottawa Conference (November 2015)” as the policy for the Synode/Conference. **Carried**”

Below is a current list of Licensed Lay Worship Leaders approved by each of the Presbyteries for posting on the Synode Montreal and Ottawa Conference website:
